What was the most valuable thing you learned in the workshop?

- Parent - Child Attachment information and its connection to technology, mental health, Circle of Security, The Dark Net, Videos, Facts, Tech Tool Kit *Security*

Was there anything that was not covered in the workshop that you felt should have been?

No - I was pleased with the information provided. Lots of well researched information - Very thorough.

How could the workshop have been better or more helpful?

Having the slide handouts in addition to the Tech Tool Kit

Would you recommend this workshop to others? If not, why?

Definitely, I have already recommended it to a social worker for our school board. I think all educators should be required to take mandatory training modules related to technology.

Thanks - Well Done! I'm learning so much in the area of technology
