What was the most valuable thing you learned in the webinar?

The most applicable part for me was technology guidelines to be able to share with families.

Was there anything that was not covered in the webinar that you felt should have been?

No it was very thorough.

How could the webinar have been better or more helpful?

Possibly slightly shorter- I'd prefer more video shorter length.

Would you recommend this webinar to others? If not, why?

Yes- quality information
